- I have read the “2024 Indicator 14 Survey Information” and the “2024 Survey Timelines” documents.
- I acknowledge the district is participating in the 2024 Indicator 14 Survey in a Required or Elective Survey year and that **the Indicator 14 Surveys will be conducted by St. Norbert College Strategic Research Institute (SRI) on behalf of the district.**
- I acknowledge former student (exiter) contact information will be entered into the Indicator 14 website for all former students to the best of the district’s ability by **May 31st** so SRI has at least one phone number that has a chance of being answered.
- I assure the Survey Designee(s) and/or I will work throughout the survey process with TIG staff to reach the highest response rate possible.
- I understand my district may have qualifying surveys for the Special Education Transition Incentive Grant funding **up to \$1,000** per qualifying survey which will be provided by the DPI as a direct transfer in June 2025.
- **Required Year Districts:** I understand the district must participate and complete the survey activities as outlined in the Timeline.
- **Elective Year Districts:** I understand if the Timeline activities are not completed **by May 31, 2024**, my district will be removed from participating in the 2024 Indicator 14 Survey. **Note: if the district plans to participate in the survey but is unable to meet the May 31st timeline, please contact Jenny Jacobs.**
 - **I understand that my district will receive an invoice from SRI for this work at the end of the survey window. Cost for using St. Norbert includes a \$40 set-up fee plus \$23.50 for each successfully completed survey.**
- I will promptly contact Jenny Jacobs, Indicator 14 Coordinator, if the district has any questions about the survey process or is unable to complete any of the Survey activities.
